Punyashlok Ahilyadevi Holkar University

📅 07/2021 - 04/2024

Master of Computer Application

MIT Vishwaprayag University

📅 Present

PROJECTS

Employee Attendance Management System

The Employee Attendance Management System, developed using core Java, automates attendance tracking. Key features include:

-Login/Logout Time Tracking: Captures and records employee working hours.

-Leave Management: Allows employees to apply for and manage leave.

-Attendance Reports: Generates reports for easy analysis and payroll processing.
